Normal Labour**
and Birth Research Conference

CHALLENGING DISCUSSIONS IN NORMAL LABOUR AND BIRTH

MONDAY 12 SEPTEMBER 2022

TIME	TOPIC	ROOM
08.00-09.00	Registration	Foyer
09.15-09.30	Welcome by Chairperson Rikke Damkjær Maimburg	Large stage
09.30-09.50	Academic choir	
09.50-10.05	Welcome by Aarhus University, Dean of Faculty of Health, Anne Mette Hvass	
10.05-10.20	Welcome by Danish Regions, Political Head of Central Region Denmark, Anders Kühnau	
10.20-10.50	Chairperson Rikke Damkjær Maimburg, Associate professor, Aarhus University, Denmark <i>Normal labour and Normal Birth in Denmark</i>	
10.50-11.30	Founder & Keynote Soo Downe, University of Central Lancashire, UK <i>Future conditional? How research on normal physiological labour and birth could underpin positive and safe childbirth experiences and outcomes</i>	
11.30-12.00	Sponsored talk, Senior Technical Advisor on Midwifery & Strategic Partnerships Geeta Lal, UNFPA, New York, USA <i>Quality Midwifery care: The Best model for Normal Labour and Childbirth</i>	
12.00-13.20	Lunch, Poster tour, Exhibition	Foyer
13.20-15.00	Concurrent Session A, B, C	
A	Birth culture and evidence based practice	Large stage
13.20-13.40	Changing Minds: the impact of introducing evidence-based practices around the use of episiotomy in a South Indian Tertiary Centre. Ahmed M, Kaur I, Thota S	
13.40-14.00	Attitudes toward supporting vaginal birth and interprofessional teamwork - a cross-sectional study. Johnson K, Edqvist M, Elvander C, Johansson K, Saltvedt S	
14.00-14.20	How midwives in the hospital birth setting define and protect normal birth: a qualitative study from 8 countries in Northern Europe. Stenbäck P, Österberg T, Ansule I, Liepinaitiene A, Ekelin M, Hasman K, Lilleengen A, Furskog Risa C, Olafsdottir O, Skirnisdottir Vik E	
14.20-14.40	How war can change thinking on normal birth: The story of Ukraine Chervyak T, Vuyko A, Luchka V, Konovalenko L, Daviss BA	
14.40-15.00	Healthcare professionals understanding of humanisation when women are classified as high risk in pregnancy and/or childbirth in high-income countries: A mixed-methods systematic review Curtin M, Savage E, Murphy M, O'Driscoll M, Leahy-Warren P	
B	Models of care and women's choice	Small stage
13.20-13.40	First annual report of Belgian autonomous midwives 2020: Midwifery-led continuity care - a safe care model during childbirth. Vandeputte L, Rothmann I, Pink K, Tency I, Van Den Bergh E, Lansens D, Reyns M, D'haenens F, Muyldermans J	
13.40-14.00	'A perfect fit' - Swedish midwives' interest in continuity models of midwifery care Hildingsson I, Fahlbeck H, Larsson B, Johansson M	
14.00-14.20	Access to alternative birth models in contemporary Ireland: Women's experiences of constraint and inconsistency. Farsaci L, O'Boyle C, Newnham E	
14.20-14.40	UK women's experiences of expressing non-normative choice in a complex and fearful maternity system: Requests, Resistance and the Rhetoric of Choice. Madeley A	
14.40-15.00	Exploring the experiences of pregnant women and new mothers in Cyprus in terms of the informational support, internet use and participation in decision making. Hadjigeorgiou E, Koliandri I, Middleton N, Karanikola M, Kolokotroni O, Christodoulides V, Nikolaou C, Kouta C	

CHALLENGING DISCUSSIONS IN NORMAL LABOUR AND BIRTH

MONDAY 12 SEPTEMBER 2022

TIME	TOPIC	ROOM
C	Waterbirth	Open stage
13.20-13.40	A systematic review and meta-analysis to examine intrapartum interventions, and maternal and neonatal outcomes following immersion in water during labour and waterbirth Vanderlaan J, Burns E, Feeley C, Hall P	
13.40-14.00	UK practice guidance about 'admission criteria' for the use of water immersion during labour: A nationwide review of local NHS guidelines. Litchfield C, Carpenter J, Hunter L, Rowe R	
14.00-14.20	Using secondary analysis to investigate factors associated with physiological birth for women who labor in water. Carpenter J, Burns E	
14.20-14.40	Supporting women ´s choice for waterbirth and hydrotherapy services during pre pandemic and the COVID-19 pandemic in a tertiary hospital in South India. Kaur I, Manjula M, Sowmya T	
14.40-15.00	Womens ´s experiences of water immersion during labour and childbirth in a hospital setting in Ireland: A qualitative study. Dado M	
15.00-15.30	Break, Poster tour, Exhibition	Foyer
15.30-16.10	Keynote speaker - Ole Olsen Associate Professor, University of Copenhagen, Denmark <i>Homebirth – Evidence and Emotions</i>	Large stage
16.10-16.50	Keynote speaker - Saraswathi Vedam Professor, University of British Columbia, Canada <i>Whose Agenda and Whose Destiny?</i>	Large stage
16.50-17.00	Leaving the Concert Hall	
17.30-18.30	Welcome reception (across the street in the City Hall)	Aarhus City Hall

Workshop 13-15

Diagnosing perineal trauma by GynZone in Duoen

Upright Breech Birth by ObstetriWise in Green Room

TUESDAY 13 SEPTEMBER 2022

TIME	TOPIC	ROOM
08.00-08.20	Arrival	Foyer
08.20-09.00	Keynote speaker - Gene Declercq, Professor, Boston University, USA <i>If maternal mortality is the tip of the iceberg in women's health inequities, what's beneath the surface</i>	Large stage
09.00-09.40	Keynote speaker - Kirsten Small, Obstetrician, Griffith University, Australia <i>Challenging entrenched belief – rethinking fetal monitoring in labour</i>	Large stage
09.40-10.00	Break, Poster tour, Exhibition	
10.00-11.40	Concurrent Session D, E, F	
D	Fetal monitoring & Human Rights	Large stage
10.00-10.20	Practice, skills and experience with the Pinard stethoscope for intrapartum foetal monitoring Hernandez Engelhart C, Nielsen AV, Devold Pay A, Maude R, Kaasen A, Blix E	
10.20-10.40	Improving intermittent auscultation: launch of Listen2Baby, a national study using experience-based co-design Rowe R, Ade M, Fitzsimons B, Joash K, Kenyon S, Maclellan J, Mulla S, Pope C, Sanders J	
10.40-11.00	Intrapartum fetal monitoring practices in Norway - a population study Aanstad K, Kaasen A, Dalbye R, Staff A, Pay A, Blix E	
11.00-11.20	A social theory in maternity care: Exploring the overuse of cardiotocography (CTG) in normal birth from an actor-network theory (ANT) approach. Jepsen I, Maude R, Blix E, Adrian S, Cooke H	
11.20-11.40	The wicked complexity of human rights in UK maternity services. Ham L	
E	Working Conditions	Small stage
10.00-10.20	Professional courage to maintain a meaningful work in a strained context. Hansson M	
10.20-10.40	Dimensions of being a Midwife and Midwifery Practice in the United States: A Qualitative Analysis Thumm B	
10.40-11.00	A systematic rapid literature review to explore levels of midwifery practice beyond the point of registration and their outcomes. Strachan H, Cheyne H, Cameron D, Lambert J, Maxwell M	
11.00-11.20	Maternity care providers' experiences of work-related traumatic events (MATES): An International survey. Healy M, Leahy-Warren P, Working Group 2 CA18211, Nieuwenhuijze M	
11.20-11.40	The Buddy Study - Evaluation of a peer support program for midwives and doctors after adverse events. Schröder K, Bovil T, Jørgensen J, Abrahamsen C	
F	Clinical Learning	Open stage
10.00-10.20	Standardizing Approaches to Rendering Feedback (StAR Feedback Study): The importance of consistency in clinical learning. Malott A, Murray-Davis B, Seager E	
10.20-10.40	Is the increase in postpartum hemorrhage after vaginal birth because of altered clinical practice Graugaard HL, Maimburg RD	
10.40-11.00	Safe childbirth project in Gaza, Palestine. Zimmo M, Ali J, Abu Ward I, Blix E	
11.00-11.20	Strengthen midwifery education towards global standards – experience from Nepal. Acharya A	
11.20-11.40	How to use digital health tools to empower skilled birth attendants supporting. Kjærulff K	
11.40-13.00	Lunch, Poster tour, Exhibition	Foyer

Workshop 10-12

Suturing of 1st degree perineal trauma by GynZone in Duoen

Quality Maternal and Newborn Care by Professor Melissa Cheyney in Green Room

TIME	TOPIC	ROOM
13.00-14.40	Concurrent Session G, H, I	
G	Induction of labour	Large stage
13.00-13.20	Practice variation in induction of labour in the Netherlands: The VALID project. Offerhaus P, van Haaren T, Keulen J, Braber A, de Jonge J, Nieuwenhuijze M	
13.20-13.40	The management of term prelabour rupture of membranes, a pilot RTC study. Ramirez-Montesinos L, Downe S, Wells M	
13.40-14.00	Patient safety culture and attitudes towards induction of labor pre- and post-ARRIVE. Vangompel E, Carlock F, Singh L, Brown J, Keer E, Low LK	
14.00-14.20	Racial and Ethnic Disparities in use of Term Labor Induction in Low-Risk Women. Smith D, Thumm B, Barton A, Hernandez T, Giano Z, Sheeder J	
14.20-14.40	Routine induction in late-term pregnancies: follow-up of a Danish induction of labour paradigm. Rydahl E, Declercq E, Juhl M, Maimburg RD	
H	Labour Duration and Mode of Birth	Small stage
13.00-13.20	Pre-gravid obesity and cesarean: A propensity-score matched analysis of 59,800 community and hospital births in the United States. Cheyney M, Pillai S, Bovbjerg V, Branscum A	
13.20-13.40	Fear of birth, knowledge confidence and preference for cesarean section among Polish women. Nenko I, Micek A, Kopec- Godlewska K, Stoll K	
13.40-14.00	Experiencing pregnancy and birth after cesarean in the United States: A narrative analysis. Basile Ibrahim B, Cheyney M, Vedam S, Kennedy H	
14.00-14.20	Labour duration and risk of adverse neonatal outcome. Lundborg L	
14.20-14.40	Mode of delivery and birth outcomes in relation to the duration of the passive second stage of labour in nulliparous women: a retrospective cohort study. Bjelke M, Thurn L, Oscarsson M	
I	Birth and Post-Partum Experience	Open stage
13.00-13.20	The 9 stages of Instinctive Behaviors for Premature Infants. Brimdyr K	
13.20-13.40	Caring for families in vulnerable positions during pregnancy and the postnatal period: Key findings from an ethnographic study in Denmark. Frederiksen M, Schmied V, Overgaard C	
13.40-14.00	Developing a woman-centred, inclusive definition of traumatic childbirth experiences. Leinweber J, Fonstein-Kuipers Y, Thomson G, Karlsdottir S, Nilsson C, Ekström-Bergström A, Olza I, Hadjigeorgiou E, Stramrod C	
14.00-14.20	Expectant parents' emotions during pregnancy: longitudinal dyadic analysis of the Swedish Pregnancy Panel. Zheng L, Naurin E, Markstedt E, Olander P, Linden K, Sengpiel V, Elden H	
14.20-14.40	Socioeconomic factors and women's overall labour and birth experience: a survey study. Vedeler C, Eri T, Nielsen R, Blix E, Downe S, Van der Wel, K, Vika Nilsen A	
14.40-15.20	Break, Poster tour, Exhibition	Foyer
15.20-15.50	Keynote speaker - Kamilla G. Nielsen, Obstetrician, Hospital of Southern Denmark <i>Cesarean Section on the rise</i>	Large stage
15.50-16.30	Keynote speaker - Hannah G. Dahlen, Dean and Professor, Western Sydney University, Australia <i>Is Relationship based care protective for mothers and babies during challenging times?</i>	Large stage
18.00-23.00	Social Dinner (located close to The Central Station)	Centralværkstedet

Workshop 13-15

Suturing of 2nd degree perineal trauma by GynZone in Duoen

Homebirth network by keynote Ole Olsen in Green Room

Co-innovation on Midwifery Education - student-led learning of ICM core competencies

WEDNESDAY 14 SEPTEMBER 2022

TIME	TOPIC	ROOM
08.00-08.20	Arrival	Foyer
08.20-09.00	Keynote speaker - Trine Munk-Olsen Professor, University of Southern Denmark <i>The Right Treatment at the Right Time</i>	Large stage
09.00-09.40	Keynote speaker - Malin Edqvist, Senior researcher, Karolinska Institutet, Sweden <i>Panopticon or Professional Partner? Why two midwives in late second stage can reduce perineal trauma</i>	Large stage
09.40-10.00	Break, Poster tour, Exhibition	Foyer
10.00-11.40	Concurrent Session J, K, L	
J	Midwifery and Competencies	Large stage
10.00-10.20	100 years of ICM, a history of uncertainty and progress! Cadée, F	
10.20-10.40	Abdominal examination during pregnancy may enhance relationships between midwife, mother and child: A qualitative study of pregnant women's experiences. Bonnén K, Offersen S, Høstrup L, Maimburg RD	
10.40-11.00	Watchful attendance during labour and birth: Exploring what midwives do when they do not seem to be doing much. de Jonge A, Zandstra L, Leemans A, Verhoeven C, Sinatti G	
11.00-11.20	Influence of midwives' attitude, knowledge, and skills on the appropriate use of childbirth interventions: a qualitative study among 20 midwives in the Netherlands. Zondag L, van Haaren-ten Haken T, Offerhaus P, Maas V, Nieuwenhuijze M	
11.20-11.40	Expectations to the upcoming birth – a survey of women´s self-efficacy and birth positions. Kjeldsen LL, Dahlen HG, Maimburg RD	
K	Vulnerable life situations in labour, birth, and parenthood	Small stage
10.00-10.20	Defining vulnerability subgroups among pregnant women using pre-pregnancy information: a latent class analysis. Molenaar J, van der Meer L, Bertens L, de Vries E, Waelput A, Knight M, Steegers E, Kieft de Jong J, Struijs J	
10.20-10.40	"That's a task which takes time": A realist evaluation of how context affect midwives' perception of time in a Danish antenatal psycho-social screening program. Andersen C, Gram P, Thomson L, Overgaard C	
10.40-11.00	"I stay to myself": Perspectives of racial residential segregation, neighborhood disorder, and preterm birth among pregnant Black women in the United States. Dove-Medows E, Bell C, Misra D, Giurgescu	
11.00-11.20	'We'll look after you, we'll try to sort this mess out for you': Asylum-seeking and refugee women's experiences of social support during the perinatal period: A qualitative study in the North of England. Balaam M, Cooper M, Todd M	
11.20-11.40	Synergistic health engagement with vulnerable pregnant women: results from a systematic review. Allen J, Creedy D, Mills K, Gamble J	
L	Birth center and physiologic birth	Open stage
10.00-10.20	Confidence for physiologic birth in the US Birth Center Model of Prenatal Care: Midwives' and women's perspectives. Neerland C	
10.20-10.40	An ethnography of a birth center in Northern Uganda: A demonstration of high quality and integrated care. Telfer M, Zaslow R, Kennedy H	
10.40-11.00	A birthplace pipe dream? The challenges of facilitating labour and birth in a freestanding midwife-led unit in Northern Ireland. Cardwell J	
11.00-11.20	Learning birth centre birth: Insights from experienced midwives in free-standing birth centres. Stone N, Thomson G, Tegethoff D	
11.20-11.40	Exploring student midwives' confidence to support physiologic birth across five countries. Fly J, Wood J, Farley C, Dole D, Lazar J, Baranowska B, Tataj-Puzyna U, Wegrzynowska M, Healy M, Drake K, Kalu F, Davison C	
11.40-13.00	Lunch, Poster tour, Exhibition	Foyer

Workshop 10-12

How to perform and repair a mediolateral episiotomy by GynZone in Duoen
Upright Breech Birth by ObstetriWise in Green Room

TIME	TOPIC	ROOM
13.00-14.40	Concurrent Session M, N, O	
M	Physiological labour, Birth mode, and Safety	Large stage
13.00-13.20	Un-complicated deliveries in Iceland in the years 1999-2018 Holgorsdóttir H, Hálfhánsdóttir B, Swift E	
13.20-13.40	Maternal characteristics associated with labor dystocia in nulliparous women. A systematic review. Olsén Nathan N, Jochumsen S, Rode L, Hegaard H	
13.40-14.00	How does mode of birth in the first birth impact on subsequent births? A 16 year population based linked data study. Peters L, de Jonge A, de Boer M, Downe S, Dahlen H	
14.00-14.20	Overall childbirth experience: what does it mean? A comparison between an overall birth experience rating and the Childbirth Experience Questionnaire 2 (CEQ2). Viirman F, Hesselman S, Skoog Svanberg A, Sundström Poromaa I, Wikman A	
14.20-14.40	How is quality of care conceptualised in maternity units? A meta-narrative review. Thaels E, Downe S, Prescott G, Balaam M	
N	Communication and Women-Centered Care	Small stage
13.00-13.20	Conversational health literacy assessment tool specified for maternal care. Vlassak E, Keulen J, Miteniece E, Gravendeel M, Korstjens I, Budé L, Hendriks M, Nieuwenhuijze M	
13.20-13.40	Respectful maternity care and women's autonomy in decision making in Iceland: Application of scale instruments in a cross-sectional survey Mangindin E, Stoll K, Cadée F, Gottfredsdóttir H, Swift E	
13.40-14.00	The case of 'surrogate decision making' in India for women competent to consent, choose, and decide during childbirth. Mayra K, Sandall J, Matthews Z	
14.00-14.20	New pathways towards a positive experience of childbirth? Thualagant N	
14.20-14.40	Organising public voices in support of maternity transformation: When research evidence, maternity policy, implementation tools and planning is not enough. Newburn M, Dagustun J	
O	Homebirth and remote birth	Open stage
13.00-13.20	Skills and knowledge of midwives at home births and free-standing birth centres: A meta-ethnography. Stone N, Thomson G, Tegethoff D	
13.20-13.40	More home births during the COVID-19 pandemic in the Netherlands. Verhoeven C, Boer J, Kok M, Nieuwenhuijze M, de Jonge A, Peters L	
13.40-14.00	"Forced into homebirth": Experience of decision-making for vaginal breech birth in the United States. Schafer R, Phillippi J, Dietrich M, Mulvaney S, Kennedy H	
14.00-14.20	Giving birth in rural Arctic Greenland - results from an Eastern Greenlandic birth cohort. Houd S, Sørensen HC, Clausen JA, Maimburg RD	
14.20-14.40	Innovative approaches to improving birth outcomes through the revitalization of Indigenous birth work in Canada. Olson R, Snelling-Welsh J, Woods K	
14.40-15.10	Break, Poster tour, Exhibition	
15.10-15.50	Closing session including poster award from Elsevier	Large stage
15.50-16.00	NLNB23	Large stage
16.00-16.10	NLNB24	Large stage
16.10-16.30	Closing remarks	Large stage

Workshop 13-15

Pudendal block and pain relief during postpartum repair by GynZone in Duo en

Critical reading of two induction of labour studies by Midwife, PhD Eva Rydahl in Green Room

Co-innovation on Midwifery Education - student-led learning of ICM core competencies

Minor changes may occur in the program
